Meet the teacher

We will be holding a 'Meet the teacher' afternoon from 3.30pm to 4.30pm on Friday 8th September. Do come along and meet your child's class teacher and find out more about what is planned for the coming term. As last year, we will be asking if parents would volunteer to be class helpers and this is an ideal time to speak to the teachers about what this might involve. There will also be a taster session in the school canteen for parents and children to sample the dinner menu.

Curriculum leaflets

Please look out for the curriculum leaflet which your child is bringing home. This will detail which topics are being covered this term, homework days and school trips.

Energy Kidz Breakfast and After School clubs

Energy Kidz are back again this year. If you would like to book a place for your child with Energy Kidz, please contact them either by telephone on: 0333 5771533, email: info@energy-kidz.co.uk or via their website: www.energy-kidz.co.uk.

Dinner Menu

Week commencing Monday 11th September 2017 will be Week 3 on the dinner menu.

Medication

If your child requires medication to be kept in school, for example for asthma, please bring their medication in to the school office and complete the form allowing us to administer it. Please do not send the medication in with your child in their school bag as we need to be aware of what your child has to take and when, and to ensure that the medication is in date and stored securely in class.

Moving on in 2018 flyer

Information about applying for secondary schools for 2018-2019 school year will be sent home this week with the year 6 children. The online application opened on 1st September and the deadline for applications is Monday 31st October. All the information about the schools and the application process can be found online: **www.hertfordshire.gov.uk/admissions**

We very much look forward to working with you to provide our children with another successful year of learning experiences.
