

Welcome

A warm welcome from your governing body, The Grapevine is our newsletter sent to parents and carers to provide an insight into our role as governors and into the work we do to support your children, teachers and other staff at our school.

HIGH STANDARDS AT REEDINGS!

Congratulations to Year 6 who have set a great standard with our SATs results showing they are achieving well and are ready for secondary school.

An important part of the governors' role is to monitor the academic standards our children are achieving. The governors were delighted to see from this years SATs results (the best for 3 years), that the standards achieved at Reedings are improving!

Governors also analyse information about the standards achieved in every year group and were pleased to see that in all classes, children are making marked improvement and nearly all children are making expected or better progress during the academic year.

It is fantastic to see our children doing so well and we will report in more detail on this next term. Rest assured we will maintain our focus and enthusiasm to continue to support Mrs Webber and her team to continued improvement. We have been delighted that the children have had many exciting experiences both within the curriculum, such as their school trips, and through extra-curricular activities, particularly in sport, art and music.

We appreciate it takes a lot of energy and effort to make our school successful. Our thanks go to Mrs Webber, her team and all of the children at the school who have worked incredibly hard this year. We would also like to thank - those who volunteer to support children in the classrooms, on trips and through the great support of the Reedings PTA.

We wish our year 6 children good luck and every success for the future!

Thank you and have a great summer!
