### **Primary Science Quality Mark**

Reedings Junior School has been awarded the Primary Science Quality Mark in recognition of the quality of science provision across Key Stage 2. We feel very proud to have gained this nationally recognised status.

### **Modeshift Travel Award**

We are delighted to announce that Reedings Junior School has achieved Silver Modeshift STARS accreditation. Thank you to everyone who has supported us in our active and safer travel initiatives over the past year! Please see below news about the latest Sawbo Travel Challenge.

### **Sawbo Travel Challenge**

This year's Sawbridgeworth Travel Challenge week will run from 23<sup>rd</sup> to 27<sup>th</sup> September. Pupils will be asked to journey to school on foot, by scooter, by bike or using "park and stride" (parking at least five minutes' walk away), with a different theme each day. There is also a "Bring your family day" at the Town Selfie Walk on Saturday 28<sup>th</sup> September in Bell Street car park, from 11am-2pm. Further information will be sent out next week.

### **Aspects**

Please see attached to this newsletter flyers which contain information about workshops relating to social and emotional well-being.

### **Dinner money**

Dinner money letters have now gone home. Please remember dinner money needs to be paid promptly and in advance. The cost of school meals is £2.60 per day and payments can be made via SchoolComms. Thank you.

### **Music invoices**

Invoices have now gone out to those children having music lessons this term. Please ensure that these are paid in full as soon as possible.

### **Medication**

If your child requires medication to be kept in school, for example for their asthma, please can you bring their medication in to the school office, and complete the form allowing us to administer their medication. Please do not send the medication in with your child in their school bag, as we need to be aware of what your child has to take and when, and ensure that the medication is stored securely in class. We would also appreciate you checking that the children's medication is in date. Thank you.
