

Chinese New Year

Dear parents/carers,

On Friday 12th February, we will be having our second theme day which will be linked to Chinese New Year. This theme day will again be off timetable and an opportunity for children to take what they need. That may be a break altogether, a break from their usual routine to try some new theme based learning or this may be a chance to catch up on work missed.

All the theme-based learning will be on Google Classroom. There will be a video about Chinese New Year and also website links which the children can use to find out more information. We have created a range of activities for the children to choose between. Some of the activities are practical and will need resources such as paper and glue.

Activities:

- **Create an information guide to Chinese New Year**
- **Chinese New Year Quiz**
- **Make a Chinese Fan**
- **Create a Chinese dragon**
- **Make a Chinese lantern**
- **Practise writing Mandarin Chinese words and numbers**
- **Creating a Chinese New Year menu**

Website links:

- <https://www.bbc.co.uk/bitesize/topics/zjkc92p/articles/zphcydm>
- <https://www.topmarks.co.uk/ChineseNewYear/ChineseNewYear.aspx>

If there is any work from this half term which has not yet been completed, the children can use this day instead to catch up on these activities and then turn them in to their teachers.

We hope the children enjoy our Chinese New Year theme day,

Kind regards,

Ms Constant
