

Climate Action Schools competition

Addressing the climate emergency is one of the greatest challenges facing humankind. Climate change threatens to adversely impact the lives of everyone. To raise awareness of the issues, HCC's Sustainable Hertfordshire team are running a climate change competition.

★ Prizes ★

Winners will each receive *a bike and helmet, plus free cycle training*, offered by HCC's Active and Safer Travel Team.

The competition is focused around four themes - **nature, climate change, waste, and energy.**

Pupils need to write a haiku and provide a photo based on one of the four themes.

A haiku is a Japanese poem of seventeen syllables, in three lines of five, seven, and five, traditionally evoking images of the natural world.

Please hand your entries to your class teacher or email them to the office by **Wednesday 30th June.**
