

15<sup>th</sup> May 2020

Dear Parents/Carer,

Please find attached the home learning for the week beginning 18<sup>th</sup> May 2020.

As you know, we are now preparing to begin to welcome back pupils, starting with Year 6. Thank you to everyone who has completed the Survey to let us know if you intend to send your child in. We completely understand that some parents are still undecided but if you have not yet completed the survey, the link is still open and it would help us greatly in planning provision if we can gauge how many pupils to expect: <https://www.surveymonkey.co.uk/r/B65H56C>

We have been working hard to plan our curriculum and to re-arrange our classrooms and the building to ensure as full a day as possible within our new health and safety constraints. We will write again next week with more detailed information and we will also let Year 6 parents know the details for those children who are returning on 1<sup>st</sup> June.

You may be aware that the organisation 'Young Voices' are doing a Young Voices at home. The idea behind it is that all the children around the world learn a song, and sing it in their homes / on their doorsteps at 2.30pm on the 2nd June. It's a song we already sing at school, The Power in Me. You can download the information at <https://www.youngvoices.co.uk/yv-at-home/>

The Coram Foundation have published more PSHCE resources which you may find helpful.

This is a link for a set of age-appropriate plans for years 1-6:

<https://www.coramlifeeducation.org.uk/SCARF-home-learning-plans-set-2>

You will find they:

Focus on children's physical and emotional health and how we can look after this, particularly at this time of uncertainty and anxiety

Include a staying safe online module

Signpost to additional activities – extensions for children who want to explore the themes in more depth

Just click on the link and then the age appropriate for your child.

Have an enjoyable weekend and stay safe.

Best wishes,

Laura Webber
