

Reedings Junior School

Aiming High Together

Headteacher: Mrs Rebecca Newton

Dear Parents/Carers,

I can't quite believe that it is the end of my first term as your (not so new) Headteacher and I cannot thank you and your children enough for such a wonderful start to my time at Reedings. Before I wish you all a happy Christmas and New Year, can I just remind you that, in line with Hertfordshire guidance, I will be monitoring the admin email until Christmas eve to ensure we are able to act if there are any positive cases reported linked to your child which you may need to be made aware of. If you do receive a positive test result, email the office and title the email as 'POSITIVE TEST' and we can take it from there!

If you don't already, please do follow us on twitter. I am making it my mission to update you with the wonderful things happening in school as often as I can. Reedings is such a fun place to be and with the current restrictions in place, you don't get to see anywhere enough of what's happening! <https://twitter.com/JuniorReedings>

We've had a week full of festivities to end the term including the infamous Talent Show, our Christmas jumper day and Christmas lunch!

Although our Father Christmas visit was planned, we did not expect him to break into school overnight! The teachers had such a shock in the morning when they saw the snowy foot prints. Luckily PC Paul was here to investigate the mess he had left! Everyone loved asking Father Christmas lots of tricky questions and we all (even me) ended up with a gift. Thank you to the PTA who spoke to Father Christmas on our behalf to arrange for his guest appearance in our assemblies and for our Christmas lunch crackers.

I trust you have all had a chance to watch the Christmas Production and I am pleased to say that the excitement doesn't stop there for us... Miss Ling entered a competition for us to win money towards a wellbeing day project and we have only gone and won! 4W came up with the idea of having an animal day which won us the £500 prize! We have excitedly been looking into all of the animals that we could have in school and are getting rather carried away! So far we have everything from scorpions to horses on our list to make a special appearance! So lots to look forward to!

Please do keep safe this holiday and have a wonderful time!
Merry Christmas and Happy New Year!

Mrs Rebecca Newton
Headteacher
