

**For week ending
20th March 2020**

Dear Parents/Carers,

We come to the end of a very challenging week. We have had to work with many unknowns and make some difficult decisions. Thank you to all of our parents and carers for your support and for your many kind wishes.

For the foreseeable future, we will operate with a skeleton staff to provide care for children of key workers, vulnerable pupils and pupils with education and health care plans. Teachers will continue to set work and communicate with all pupils via the learning platforms. You can continue to contact the school at admin@reedings.herts.sch.uk.

We all look forward to the situation improving and hope to see everybody back in good health and ready to recommence their education as soon as possible. I know that Year 6 are concerned that they might not be here for the end of the summer term, with all the celebrations that that usually entails. I am sure that, whatever happens, we will find a way to mark their transition to secondary school and ensure it is special, even if it has to be different. Let's wait to see what happens over the next few weeks.

I would like to take this opportunity to thank the staff of Reedings Junior School who have, without exception, risen to the occasion. Every single member of our team – teachers, teaching assistants, office, cook and cleaners – have committed to continuing to keep the school open and I am sure you will share my deep gratitude for their contribution towards making sure that front line workers can continue with their vital work.

In the meantime, all the staff at Reedings Junior School and I do hope that everybody in our school community keeps well. Please do not hesitate to contact us if there is anything you think we can help you with.

With all of our very best wishes,

Laura Webber
Headteacher
