

DSPL3 Outreach Team – Alison Whenman presents

Preparing for Middle/Secondary Transition Virtual Parent Workshop

PREDICT, PREPARE, PREVENT

Is your child worried about moving up to middle or secondary school in September?
Are they likely to find the transition tricky?

PREDICT: What challenges your child may face

PREPARE: Provide strategies and resources for a successful transition

PREVENT: By following the strategies you can support your child's transition and prevent some of the problems they may otherwise face.

A free online workshop for parents of children who attend a mainstream first, primary or junior school in East Herts.
This session will be run using TEAMS which is easy to use.
