

# Reading Junior School

## Welcome to Year 4

**We usually give you lots of information about what you are going to be learning in English and in maths. But this term your teachers want to see what you can remember so they can change what is being taught to help you get back on track!**

### **Your teachers and teaching assistants are:**

Mrs K Walker (4W Teacher) Mrs Warnock (4W TA)  
Mrs Kingston (4K Teacher) Mrs O'Sullivan (4K TA)  
Mrs Oxley (Year 4 Teacher) Mrs Campbell (Year 4 TA)

### **Here are some topics we will be covering that you might like to look into at home:**

Science	Digestion	RE	Hinduism
History	Ancient Greece		

### **Our home learning expectations are:**

Reading – **Daily for at least 10 minutes**. This should be reading aloud to an adult and can include some time talking about the text – recounting what has happened, making predictions and talking about how they feel about the characters, and why that is. Please sign your child's planner each time they read.

Spelling – Daily practise is required. We will be revisiting the Year 3 spelling patterns and introducing the Year 4 ones as the children are ready. We shall continue to practise the years 3 and 4 words.

Maths – Maths homework will consolidate the work covered in class. This will focus mainly on times tables and will usually be set on Mathletics, Purple Mash or TT Rockstars.

**Your PE day is: Monday**
